

Gale Meadows Pond, Londonderry/Winhall

Description: The Vermont Fish and Wildlife access area provides opportunities to fish from shore or launch your own boat.

Species: Largemouth bass, chain pickerel, yellow perch, rock bass, bullhead.

Directions: From the junction of VT Route 100 and VT Route 30 in Rawsonville, travel west on VT-30 for about 2.8 miles. Turn right (north) onto River Rd, which becomes Gale Meadow Rd. Follow Gale Meadow Rd. to the fishing access area (roughly 2 miles from VT-30).
