

Vermont Watershed Grants 2013-2021

Year	Organization	Project	Amount
2013	Bristol Conservation Commission	Instream Habitat Improvements and Bank Stabilization on the New Haven River, Bristol, VT	\$ 15,000.00
2013	Connecticut River Watershed Council	Black River/Twentymile Stream Restoration Project	\$ 4,360.00
2013	Federation of Vermont Lakes and Ponds	Widening Circles: Expanding the Effectiveness of Lake Protection Outreach: Phase III	\$ 9,680.00
2013	Friends of Missisquoi National Wildlife Refuge	Missisquoi River riparian restoration project	\$ 3,500.00
2013	Friends of the Winooski River	Residential Stormwater Education and Technical Assistance Program	\$ 10,300.00
2013	Lake Champlain Committee	River and Shoreline Management Case Studies	\$ 5,000.00
2013	Lamoille County Planning Commission	Lamoille Watershed Road Erosion Project	\$ 11,650.00
2013	Missisquoi River Basin Association	Missisquoi 2013 Water Sampling Program	\$ 3,500.00
2013	Town of Pittsford	Kendrick Dam Demolition	\$ 15,000.00
2013	Trout Unlimited	Nulhegan River Instream Habitat Restorations	\$ 15,000.00
2013	White River Partnership	White River Watershed Restoration Program	\$ 14,020.00
2013	Windham County Natural Resources Conservation District	Trees for Streams Program 2013	\$ 15,000.00
2014	Bennington Country Nautral Resources Conservation District	Morgan Street Wetlands Interim Management Plan	\$ 2,500.00
2014	Caledonia County Natural Resources Conservation District	Rivers and Roads Program	\$ 6,800.00
2014	Connecticut River Watershed Council	Upper Wells River Dam Removal	\$ 15,000.00
2014	Friends of the Winooski River	Riparian Restoration and Stewardship	\$ 7,200.00
2014	Lamoille County Planning Commission	Lamoille Watershed Road Erosion Project	\$ 4,261.00
2014	Lamoille County Planning Commission	River Corridor Planning in the Lamoille Watershed: A Story Map	\$ 3,000.00

Year	Organization	Project	Amount
2014	Ottauquechee Natural Resources Conservation District	River Roadshow	\$ 7,500.00
2014	The Federation of Vermont Lakes and Ponds	Widening Circles: Expanding the Effectiveness of Lake Protection Strategies: Phase IV	\$ 9,720.00
2014	Town of Charleston	Milfoil Prevention Project	\$ 5,000.00
2014	Town of Northfield	Water Street River Park Phase 3: Planning	\$ 4,500.00
2014	Two Rivers-Ottauquechee Regional Commission	Pinney Hollow Brook Floodplain/Habitat Restoration	\$ 4,971.00
2014	Vermont Center for Ecostudies	Common Loon Nest-Warning Sign Project	\$ 4,500.00
2014	Vermont Granite Museum	Vermont Granite Museum Ecological Restoration Plan	\$ 5,000.00
2014	Vermont River Conservancy	Rochester / Pittsfield River Access Project	\$ 7,000.00
2014	White River Partnership	White River Watershed Restoration Project	\$ 13,840.00
2015	Bennington Country Natural Resources Conservation District and Friends of WHPNA	Walloomsac Headwaters Park and Natural Area Final Management Plan	\$ 4,000.00
2015	Caledonia County Natural Resources Conservation District	Rivers and Roads Program	\$ 6,450.00
2015	Connecticut River Watershed Council	Abbott Brook Culvert Replacement, South Strafford	\$ 12,500.00
2015	Connecticut River Watershed Council	Groton #9 Dam Removal, Wells River	\$ 7,500.00
2015	Federation of Vermont Lakes and Ponds	Widening Circles: Expanding the Effectiveness of Lake Protection Strategies: Phase V	\$ 6,000.00
2015	Friends of the Mad River	Water Quality Monitoring in the Mad River Watershed: Learning from Past Data Collection and Planning for Future Implementation	\$ 4,975.00
2015	Friends of the Winooski River	Hayes Road Culvert Replacement	\$ 14,000.00
2015	Intervale Center	Intervale Conservation Nursery	\$ 4,000.00

Year	Organization	Project	Amount
2015	Lake Champlain Committee	April Stools' Day	\$ 3,500.00
2015	The Westmore Association, Inc.	Lake Willoughby Greeter Program	\$ 6,000.00
2015	Town of Charleston	Milfoil Prevention Project	\$ 5,000.00
2015	White River Partnership	White River Watershed Restoration Project	\$ 7,300.00
2015	Windham County Natural Resources Conservation District	Windham County River Outreach Project	\$ 6,000.00
2015	Windham Regional Commission	Adams Brook Restoration	\$ 5,000.00
2015	Winooski Natural Resources Conservation District	Dole Hill Road Culvert Replacement and River Enhancement Project	\$ 7,805.00
2016	Addison County River Watch Collaborative	Workshops and Analysis to Enhance Flood Resiliency of Headwater Forests	\$ 4,998.00
2016	Connecticut River Watershed Council	Bagatelle Dam Removal, West River watershed	\$ 9,500.00
2016	Dartmouth College	Evaluating fish thermal refugia in the Wells River basin with Vermont Geomorphic Assessment data	\$ 3,030.00
2016	Lake Champlain Committee	Lessons from the Floods	\$ 5,000.00
2016	Lake Champlain Maritime Museum	Lewis Creek Watershed from Headwaters to Lake Champlain: A Pilot Education Program for Tributaries	\$ 4,950.00
2016	Missisquoi River Basin Association	Missisquoi 206 Water Sampling Program	\$ 3,500.00
2016	Northern Forest Canoe Trail	East Highgate Dam Remains Removal	\$ 10,000.00
2016	Ottauquechee Natural Resources Conservation District	Watershed Water Testing	\$ 3,500.00
2016	Town of Charleston	Milfoil Prevention Project	\$ 5,000.00
2016	Trout Unlimited	Mettowee River Connectivity Project and Culvert Restoration	\$ 10,000.00
2016	Valley Quest	Valley Quest Watershed Institute and Curriculum	\$ 5,000.00
2016	Vermont Center for Ecostudies	The Vermont Freshwater Mussel Atlas Cooperative	\$ 3,500.00

Year	Organization	Project	Amount
2016	Vermont River Conservancy	Community Based Riparian Restoration and Recreation Enhancement Project	\$ 8,750.00
2016	White River Partnership	White River In-stream and Riparian Restoration Project	\$ 10,000.00
2016	Winooski Natural Resources Conservation District	Improving Fish Passage on Chase and Slide Brooks	\$ 6,305.00
2017	Bennington Country Nautral Resources Conservation District	Green River Knotweed mgmt consortium	\$ 4,700.00
2017	Bennington Regional Planning Comission	Tubbs Brook - Skiparee Road	\$ 10,000.00
2017	Essex Country Natural Resources Conservation District	Wetland restoration - Johnson Farm	\$ 10,000.00
2017	Friends of the Mad River	Ridge to River Storm Smart program	\$ 4,945.00
2017	Friends of the Winooski River	Riparian Restroration and stewardship	\$ 10,000.00
2017	Montpelier Conservation Commission & Parks Department	Montpelier and Emily vs the Buffer Slayers	\$ 8,700.00
2017	Southern Windsor County Regional Planning Commission	W. Windsor Dam Removal	\$ 10,000.00
2017	Town of Charlotte	Ahead of the Storm Site 2 Treatment	\$ 2,750.00
2017	Town of Derby	Eagle Point Hall's Creek crossing	\$ 10,000.00
2017	Town of Williston	Allen Brook Wayside Interpretive Exhibit	\$ 4,800.00
2017	Two Rivers-Ottauquechee Regional Commission	Improving and managing ditch spoil under the municipal roads general permit outreach events	\$ 5,000.00
2017	Vermont River Conservancy	North Branch cascades stormwater mitigation and pedestrian trail	\$ 9,625.00
2017	Vital Communities	Watershed quest challenge project	\$ 5,000.00
2017	VT PBS	Keeping Lake Champlain Great	\$ 5,000.00
2018	Ascutney Mountain Audubon Society	Herrick's Cove Wildlife Festival	\$ 4,100.00
2018	Black River Action Team	River Dipper Water Quality Monitoring Program	\$ 1,650.00

Year	Organization	Project	Amount
2018	Connecticut River Conservancy	Planning for Stormwater Reduction in Deerfield Watershed	\$ 3,500.00
2018	Franklin Watershed Committee	Effective communication materials for Pike River watershed water quality documents	\$ 5,000.00
2018	Friends of Northern Lake Champlain	Two-Tiered Ditch P-Loss Monitoring at Bouchard Farm	\$ 3,500.00
2018	Green Mountain Club	Southern Backcountry Caretaker Program	\$ 5,000.00
2018	Lake Champlain Maritime Museum	Watershed Science Apprenticeship Skill-Build Program	\$ 5,000.00
2018	Lewis Creek Association	Stormwater Mitigation and Flood Resilience for Thorp Brook and the Big Oak Lane Neighborhood	\$ 10,000.00
2018	Missisquoi River Basin Association	Cultivating Watershed Stewards in the Missisquoi Basin	\$ 2,440.00
2018	Ottawaquechee Natural Resources Conservation District	Mill Brook Water Quality Analysis	\$ 965.00
2018	The Orienne Society	Halting and reversing Wood Turtle population decline in Vermont	\$ 3,500.00
2018	Town of Charleston	Echo Lake Ecosystem School Education and Milfoil Prevention Project	\$ 5,000.00
2018	Town of Charlotte	Ahead of the Storm	\$ 2,500.00
2018	Town of Lyndon	Conversion of former Lyndon Town Garage site to public greenspace	\$ 3,500.00
2018	Trout Unlimited	Little Averill Pond Culvert Replacement	\$ 10,000.00
2018	Vermont Center for Ecostudies	Vermont Vernal Pool Monitoring Program	\$ 3,500.00
2018	Vermont Natural Resources Council	Outreach Efforts for Dam Removal in the Lake Champlain Basin	\$ 3,000.00
2018	Westminster Conservation Commission	Identifying Vulnerable Wetlands and Upland Forests	\$ 3,500.00
2018	White River Natural Resources Conservation District	E.coli Education and Outreach	\$ 1,526.00
2018	Windham County Natural Resources Conservation District	Deerfield and Saxtons: Cross-Watershed Stream Table Outreach Program	\$ 5,000.00

Year	Organization	Project	Amount
2018	Winooski Natural Resources Conservation District	Boosting the technical capacity of Conservation Commissions to engage in water quality protection and river corridor planning	\$ 2,000.00
2019	Battenkill Watershed CISMA	Native Tree Planting at Arlington Recreation Park	\$ 2,506.00
2019	Black River Action Team	2019 River Dipper volunteer water quality monitoring project	\$ 1,000.00
2019	City of Montpelier Parks and Trees Department	Improving Riparian Ecosystems of Montpelier Parks	\$ 5,000.00
2019	Franklin County Natural Resources Conservation District	Johnson Mill Dam Removal - Project Management	\$ 3,500.00
2019	Friends of the Mad River	Implementing Ridge to River's Storm Smart Program	\$ 5,000.00
2019	Lake St. Catherine Association	Taking the Lake St. Catherine Greeter Program to the Next Level of Performance through Evidence-Based Decision-Making	\$ 4,942.00
2019	Lamoille County Conservation District	Green Stormwater Maintenance (GSI) Assessment Pilot Project	\$ 3,420.00
2019	Lamoille County Planning Commission	Outreach & Education Series for the Wolcott Floodplain & Wildlife Partnership Project	\$ 2,500.00
2019	Lewis Creek Association	Increasing Aquatic Habitat Knowledge and Stewardship in the Lewis Creek Watershed	\$ 4,990.00
2019	Missisquoi River Basin Association	Water Quality Monitoring in the Communities of the Missisquoi Watershed	\$ 3,290.00
2019	Poultney-Mettawee NRC	LakeWise Education & Outreach	\$ 5,000.00
2019	Southern Windsor County Regional Planning Commission	Springfield Valley Street Dam Removal Final Engineering Design	\$ 3,500.00
2019	The Orienne Society	Wood Turtle Habitat Conservation in a High Priority Watershed	\$ 3,500.00
2019	Town of Charleston	Echo Lake Ecosystem Education and Milfoil Prevention Projects	\$ 5,000.00
2019	Vermont Center for Ecostudies	Vermont Vernal Pool Atlas (VPAtlas)	\$ 3,600.00
2019	Vermont Natural Resources Council	Mill Pond Dam Removal	\$ 10,000.00

Year	Organization	Project	Amount
2019	Vermont River Conservancy	Improved Access and Erosion Control at Popular River Recreation Sites	\$ 9,920.00
2019	Windham County Natural Resources Conservation District	Lake Raponda Watershed Assessment	\$ 3,150.00
2019	Windham Regional Commission	Green River Watershed Alliance - Spring/Summer Watershed Programming	\$ 5,000.00
2020	City of Montpelier	Riparian buffer restoration at 5 Home Farm Way	\$ 3,500.00
2020	Connecticut River Conservancy	Thompsonburg Brook Dam Removal	\$ 9,500.00
2020	Franklin County Natural Resources Conservation District	Johnson Mill Dam Removal	\$ 10,000.00
2020	Green River	Green River Watershed Identity	\$ 5,000.00
2020	Lake Raponda Association	Raponda Watershed Outreach Series: Building support for the management plan	\$ 2,305.00
2020	Lake St. Catherine Association	Don't move a mussel	\$ 5,000.00
2020	Northern Forest Canoe Trail	Enhancing angler and paddler access along the Lamoille, Missisquoi and Clyde Rivers	\$ 5,500.00
2020	Poultney-Mettawee NRC	Lake Bomoseen LakeWise Education and Outreach	\$ 5,000.00
2020	Southern Windsor County Regional Planning Commission	Springfield Reservoir Dam removal final design	\$ 3,500.00
2020	The Oriane Society	Wood turtle habitat conservation and research in high priority watersheds	\$ 1,000.00
2020	Town of Charleston	Echo Lake Ecosystem Education and Milfoil Prevention Projects	\$ 5,000.00
2020	TU Batten Kill	Bennington County Landowner and Community Outreach	\$ 5,000.00
2020	Vermont Center for Ecostudies	VT Vernal Pool Monitoring Project	\$ 3,500.00
2020	Vermont Land Trust	Bluffside Scotts Cove Wetland Restoration	\$ 5,000.00
2020	Windham County Natural Resources Conservation District	Sweet Pond SP American Eel informational display	\$ 3,000.00

Year	Organization	Project	Amount
2021	Black River Action Team/ Ottauquechee Natural Resources Conservation District	River Dipper volunteer water quality monitoring	\$ 975.00
2021	Connecticut Valley Trout Unlimited	Vose Brook Strategic Wood Addition, Searsburg, VT	\$ 6,825.00
2021	ECHO, Leahy	Watershed Science – Virtual STEM Academy for K-5	\$ 4,000.00
2021	Mad Dog Trout Unlimited	Video Documentary: The Clyde River, its salmon, historical runs and future prospects	\$ 4,000.00
2021	Northwest Regional Planning Commission	Evaluating Aquatic Organism Passage Barriers in the Trout River and Tyler Branch Watersheds	\$ 2,800.00
2021	Orleans County NRCDC	Memphremagog Lakeshore Protection Educational Kiosk	\$ 1,440.00
2021	Ottauquechee Natural Resources Conservation District	Ottauquechee Watershed Water Quality Project	\$ 2,800.00
2021	Poultney-Mettawee NRCDC	PMNRCDC Water Quality Monitoring	\$ 2,460.00
2021	Town of Charleston & Echo Lake	Echo Lake Ecosystem Education and Milfoil Prevention Projects	\$ 4,000.00
2021	Town of Thetford	Taylor Floodplain Riparian Restoration	\$ 5,000.00
2021	Two Rivers- Ottauquechee Regional Commission	Amherst Lake Feasibility Study	\$ 2,800.00
2021	Vermont Center for Ecostudies	Integrating Vernal Pool Monitoring Data Into the Vernal Pool Atlas	\$ 2,800.00
2021	Vermont River Conservancy	Lamoille River Paddler and Anger Access Project	\$ 4,260.00
2021	VT F&W Conservation	Kingdom Trout in the Classroom	\$ 4,000.00
2021	Winooski Natural Resources Conservation District	Empowering "Storm Smart" Vermonters	\$ 4,000.00
