5.2 The possession limit for moose shall be one moose per moose hunting permit.

6.0 Permit Application Process

6.1 Applications must be made on an official moose hunting application form provided by the Department.

6.2 Only applications received by the Department's central office during the official application period will be considered. Applications must be received prior to the deadline established by the Department.

6.3 The Department will consider only complete applications. For an application to be complete it must be legible, must contain all the information requested by the Department, must bear the applicant's original signature, or, in the case of electronic or facsimile applications, attestation under the pains and penalties of perjury. To be considered complete the form must be accompanied by any required application fee, or means of payment, such as a valid credit card payment.

6.4 The Department will consider no more than one complete application from any applicant per year for each of the two separate lotteries held. A lottery will be held for both the regular and archery seasons. Only one permit may be issued per person per calendar year.

6.5 Ten (10) percent of the moose hunting permits may be issued to non-resident hunters.

6.6 No person who has held a valid Vermont moose hunting permit in any of the previous five (5) years may apply for a moose hunting permit or a bonus point in the current calendar year. 7.0 Lottery Points

7.1 A person may accumulate one additional chance, or "bonus point" to win the lottery for each consecutive year that person legally submits and provides the fee for an application but is not selected to receive a permit.

7.2 Two separate lotteries may be held, one for the archery season and one for the regular season. Applicants may accumulate up to one bonus point per year in each of the two separate lotteries, provided a complete application is submitted.

7.3 Applicants may elect to accrue a bonus point without entering the moose hunt lottery by submitting a completed application and fee and indicating at the appropriate place on the application form that they do not wish to be entered in the lottery for the current calendar year.

7.4 To accrue bonus points, a person must provide a complete application for the given year's lottery for which the person wishes to receive a permit (archery or regular). All bonus points in both lotteries are lost upon receipt of a valid permit or failure to provide a complete application for each designated lottery - a person may continue to accrue bonus points in one lottery, even if he or she fails to provide a valid application for the other.

8.0 Permit Selection Process

8.1 All those who have submitted completed applications and who wish to be entered into the lottery will be entered into the lottery. The Department will hold, or cause to be held, a transparent, random drawing to include all persons who have submitted a complete application.

8.2 Selected regular season applicants will receive a permit for their WMU of preference until the permit quota for their preferred WMU is filled at which time a permit will be awarded for their second choice WMU, and so on.

8.3 Selected regular season applicants will be notified by mail, and will receive a permit form to complete. Successful applicants have 15 calendar days to return the completed forms with the appropriate fee, and their Subpermittee's name, if any.

8.4 Selected archery season applicants will be notified by mail, and will receive a permit form to complete. Successful applicants have 15 calendar days to return the completed forms with the appropriate fee and indicate the name of their Subpermittee, if any.

10.2 Requests for deferment shall be made on the Department-issued form to the Commissioner and received no later than three days prior to the start of the moose season for which a permit has been issued. Requests shall contain information required by the Commissioner to substantiate the request.

10.3 Deferred permits shall be issued for the same WMU and permit type (either sex, antlered, antlerless, archery or regular) as the originally issued permit.

11.0 Subpermittees

11.1 A person holding a valid moose hunting permit may designate one (1) Subpermittee who shall be permitted to hunt moose pursuant to the permit.

12.4 A person serving as a Guide must hold a current valid Vermont big game hunting license.

12.5 A Guide Permit may be carried by different persons at any time during the moose hunt, but only one person at a time may serve as a Guide for each moose hunting party.
