TRAPPER REPORT FORM

April 1, 2022 through March 31, 2023

YOU MUST RETURN THIS FORM EVEN IF YOU DID NOT TRAP

Beginning in 2018, all Vermont licensed trappers are required to submit an annual trapping activity report. Please return this completed form, along with the appropriate trapping activity reports as instructed below, by **May 15, 2023**.

To protect your privacy, your name and Conservation ID # (CID) will not be recorded or otherwise associated with the activity report you submit.

NAME: _____ CONSERVATION ID #: _____

Did you set traps for furbearers during the regular trapping season (October 22, 2022 – March 31, 2023)?

Yes No

- If yes, you must complete the **Trapping Activity Report for In-Season Trapping** on page 2.

Did you set traps for furbearers **outside** of the regular trapping seasons (April 1, 2022 – October 21, 2022) for animal damage control?

Yes No

- If yes, you must complete the **Trapping Activity Report for Out-of-Season Animal Damage Control** on page 3.

If you answered NO to the two questions above, submit your form now. Mail the completed form to: Vermont Fish and Wildlife Dept., 100 Mineral Street, Suite 302, Springfield, VT 05156

IMPORTANT

If you answered YES to either of the two questions above, please complete the appropriate forms on page 2 and 3 and mail them along with this Trapper Report Form to the address above.

PLEASE NOTE: If you do not include your name and/or Conservation ID number we will not be able to record your response and therefore you will be out of compliance.

If you hold a permanent combination license but are not a trapper, please check the box and we will remove your name from our mailing list.

TRAPPING ACTIVITY REPORT for **IN-SEASON TRAPPING ONLY**

October 22, 2022 through March 31, 2023

Please **REVIEW THE INSTRUCTIONS** and carefully fill out this report with all applicable information for the time period indicated and return to the Department by **May 15, 2023**

NOTE: PLEASE REPORT DAMAGE CONTROL TRAPPING ACTIVITY DONE OUT-OF-SEASON ON PAGE 3 OF THIS FORM

Did you catch any non-target species while trapping other species **out of season** for animal damage control?

YES

NO

If yes, please list the species, numbers caught, and WMU/WSMU where caught below. Also indicate whether or not the animal(s) was released.

Incidentally trapped domestic dogs and cats should be reported to your local warden within 24 hours as per [4254c. NOTICE OF TRAPPING; DOG OR CAT](#)

Before you submit your forms, be sure you have:

- Completed the **Trapper Report Form** on page 1. *You must return the trapper report form even if you did not trap.*
- Completed the **Trapping Activity Report for In-Season Trapping** form on page 2 if you trapped during the regular trapping season.
- Completed the **Trapping Activity Report for Out-of-Season Animal Damage Control** form on page 3 if you trapped out-of-season for animal damage control.
