Releases

Photo Release:

The Fish & Wildlife Department takes photographs of camp activities. These photographs may be used for educational purposes and/or to inform others about the program. The photographs taken during each weekend session will be made available through a Fish & Wildlife web page, accessible by password, to participants within the camp program so families can download any/all the photographs presented during the graduation ceremony. The web page will not be a secure site. Only those attending camp sessions will be provided the password necessary to access the web page specific to the program photos to minimize the opportunity for general public viewing.

At the graduation ceremony there will be the opportunity to have specific photographs containing images of your child removed prior to posting them to the web page by request.

Yes I authorize the photographing of my child while at JWW.

No I **do not authorize** the photographing of my child while at JWW.

Releases & Disclosures:

All of the following releases and disclosures must be agreed to or your child cannot enroll in the Junior Warden Weekend program. Please review each item carefully.

Parental Consent Form To Participate in Range Activities While at JWW

All participants are required to have their parent/guardian consent to their participation in any range activities occurring at JWW. Please indicate your agreement by checking the box below. Refusing to consent will mean your child cannot enroll as a Junior Warden Weekend participant. If you have any concerns or questions, please contact the office.

I, legal parent/guardian give consent for my child to participate in the live range activities during Junior Warden Weekend. I understand that participation in this program may expose my child or ward to the many risks associated with learning firearms safety. I understand that the activities will include, but not be limited to, risks associated with outdoor recreation; handling bows and arrows; handling .22 rifles and/or 20 gauge shotguns; and target shooting. I expressly assume these, and all risks associated with range activities at Junior Warden Weekend. I hereby release and forever discharge the State of Vermont, the Department of Fish & Wildlife, its agents, employees, volunteers, and other officers from all actions, causes of action, damage claims, demands or judgements, which my child, I, our heirs, executors, administrators, or assigns may have against the Department, its agents, employees and other officers, for all injuries, of whatever nature, including injuries to property, caused by or arising out of, the above described program.

I have read and understand the information in the Parental Consent Release section of the Junior Warden Weekend Application. I understand the potential risks involved with participating in range activities, and I hereby give my consent for my child to participate in these activities during JWW.

(Failure to give consent means that your child will not be allowed to attend camp)

Disclosures and Reminders

I understand that the age limit for a JWW participant is 15 through 17 years old. Children must reach their 15th birthday before or during the weekend they are at camp. NO EXCEPTIONS WILL BE MADE.

I understand all participants of the weekend session will participate in range activities, among their other camp activities. There is no alternate curriculum.

I understand that my child must have a complete physical examination within the previous two years of the weekend session chosen.

I understand it is my responsibility to complete the Parental page(s) of the Medical Certificate and that my child's doctor must complete and sign the Physician's page. I further understand it is my responsibility to send the completed medical certificate, and a photocopy of my child's medical insurance card via email to Hannah.Phelps@vermont.gov or via mail to the main office. Any questions or concerns about this can be directed to Hannah Phelps at 802-522-2925.

I understand that I, the parent or guardian, is responsible for health insurance and all bills associated with a camper's stay. JWW HAS NO HEALTH / MEDICAL INSURANCE COVERAGE FOR CAMPER.

I understand that no refund will be issued, and/or that parents will be billed for tuition cost unless WRITTEN notice that the camper will not attend has been received in our office TWO (2) WEEKS in advance of the participant's session. An e-mail sent two weeks prior is considered written notice.

I understand that all refunds will be done after the weekend has ended, even if my child is placed on a waiting list and is unable to attend. I also understand that my check will be deposited, or my credit card will be charged even if my child is placed on a waiting list. If I do not wish to keep my child on a waiting list, I will contact Hannah Phelps, Camp Coordinator and submit a WRITTEN request so that a refund can be made back to me.

I understand that if my child is being sponsored by an outside organization and who further does not attend camp without giving a 2 week notice prior to the start of the session date that I will be billed for the amount of the sponsorship.

If an application is incomplete, an e-mail will be sent to a parental e-mail address requesting the missing information. Failure to respond to this email in a timely manner may delay your child's application and could jeopardize the chance of getting into the session.

I have read, understood, and agreed to the disclosures and reminders.
