

# Vermont Master Angler Program

**2021  
Annual  
Report**

## The Vermont Master Angler Program

Vermont's wealth of waters and abundant fish populations provide many opportunities to experience outstanding fishing. The Vermont Master Angler Program recognizes the achievements of anglers who catch trophy-sized fish from Vermont waters, and celebrates the clean water and healthy habitats that allow these fish to survive and grow to such exceptional sizes.

The Master Angler program is a length-based program that sets "trophy sized" benchmarks for 33 eligible fish species. While these trophy sized fish are a challenge to catch, they are attainable for anglers that develop the necessary knowledge and skills.

The Master Angler program encourages anglers to target species that haven't traditionally been considered sport fish. To do so, they need to grow as anglers and improve their knowledge of fish habitat, behavior, and feeding preferences and develop new skills required to target and catch these species.

### Award Categories

The program offers two award categories for adults and youths:

**Trophy Angler:** Anglers catching a fish exceeding the minimum qualifying length in any of the 33 species categories receive a certificate commemorating their catch. Their names and catches are also included in the Vermont Master Angler Annual Report, posted annually on the Vermont Fish & Wildlife website.

The diverse and abundant sport fishing opportunities enjoyed each year by anglers across Vermont are a direct result of fisheries management and restoration activities conducted by the Vermont Fish & Wildlife Department. These activities are funded through fishing licenses and the Federal Aid in Sport Fish Restoration Program with money generated by user purchases of fishing equipment and motor boat fuels. The department's fisheries management and restoration projects help maintain and restore healthy aquatic ecosystems, clean water, and good habitat, benefitting anglers by supporting and providing quality sport and recreational fishing opportunities across Vermont.

**Master Angler:** Anglers demonstrating the skill necessary to catch multiple species that all exceed the minimum qualifying lengths, in the same calendar year, are recognized as "Vermont Master Anglers" and receive a lapel pin at the end of the year. To qualify for the annual Vermont Master Angler Pin, an individual angler must submit qualifying entries for 5 or more species within a calendar year.

## 2021 - By the Numbers

2021 was the twelfth year of this popular program, and we had the highest number of approved entries, at 1,169, since the inception of the program. Overall participation (the number of individual anglers that submitted entries) was also the highest seen since the program began, with 385 different anglers submitting entries. 2021 also saw the most Master Angler award recipients in the history of the program at 73. For more details, see Participation Trends, next page.

While 94% (1,093) of the entries were submitted by Vermont anglers, the program also saw participation by non-resident anglers from 10 other states: Connecticut, Florida, Massachusetts, Maryland, Maine, Missouri, North Carolina, New Hampshire, New York, and Virginia.

## 2021 Trophy Fish Entries

A total of 1,169 trophy fish entries from 385 anglers were approved in 2021:

- 837 entries from 270 adult anglers (56 Master Angler award recipients)
- 332 entries from 115 youth anglers (17 Master Angler award recipients)

## Species Breakdown

Entries submitted to the Vermont Master Angler Program in 2021 continue to demonstrate a wide variety of fish species and the diversity of angling opportunities available in the state. Of the 33 fish species eligible for entry in the program, only one (cisco) had no entries. It was the year of the brook trout, with 42 entered in 2021, up from 16 in 2020 and 8 in 2019.

## Locations – Where the Big Ones Were Caught

Similar to the diversity of fish species seen in the 2021 entries, the waters from which trophy fish were caught was also varied. Trophy fish entries were received from 112 different waters around the state. As in the past, the most entries came from Lake Champlain. The following is a list of waters where 12 or more of the 1,169 entries were caught. 897 (77%) of the total number of entries came from these 13 waters:
