Dear License Applicant:

The Commissioner may issue to a Vermont resident, upon application and receipt of satisfactory proof that the applicant is legally blind, a free permanent fishing license. A legally blind person who is a resident of a state which provides a reciprocal privilege for Vermont residents may receive a free one-year fishing license.

To receive your license, please remit the following:

- A document from your physician, the Vermont Association for the Blind and Visually Impaired, or the State of Vermont Division for the Blind and Visually Impaired that states you are legally blind.
- The Vermont Sporting License Application form (attached) completed and signed by you.

If you are a non-resident, in addition to the above documents, you must also provide a statement on letterhead from the Fish and Wildlife Department of the State in which you are a resident, stating that they provide a reciprocal privilege for Vermont residents.

Please send all documents to the address above. If you have any questions, please contact our Licensing Unit at 802-828-1190.
